

AIR3 Italian Directors Guild, with IFC Italian Film Commissions at the 80th Venice Biennale

On 6 September, at the Excelsior Hotel - Venice Lido, **AIR3** announces to foreign directors and producers a new exclusive channel to support productions in Italy.

Email: filminitaly@air3.it

The launch takes place during presentation "**Film in Italy? Engage an Italian director!**" - How an Italian director can help you in co-production in Italy, in the context of the **ITALIAN PAVILION**, the Italian home for national and foreign operators who follow Italian Cinema, managed by **CINECITTÀ** in collaboration with the **Italian Ministry of Culture**.

The moderator **Andrea Chimento**, journalist and film critic introduces **Cristina Priarone**, President of the Italian Film Commissions, **Luca Lucini**, AIR3 President, **Antonino Valvo**, AIR3 Vice-President and **Armando Trivellini**, one of the Directors of the AIR3 board.

AIR3 Associazione Italiana Registi – Italian Directors Guild

AIR3 is the association of Italian directors who work for audiovisual sector and make films, documentaries, commercials, short video clips. AIR3 was founded in 2015 to create opportunities for artistic and technical updating and above all to generate new workflows. This is why **AIR3** promotes its associates, favors diffusion of Italian directing locally and internationally through networking and B2B with OTT streaming, with Film Festival, institutional and promotional activities and partnership, communication and training.

AIR3 is relationship with national, local Institutions, events, contests.

AIR3 represents cultural creative and economic interests; **AIR3's** mission is to enhance the cultural significance of audiovisual works.
